¹ Eric Alexander, one of Mr. Smith's co-defendants who has not yet submitted a change of plea, moved for a continuance of the trial on June 20, 2013 (Document 130). By order entered June 21, 2013 (Document 132), the Court continued the trial for Mr. Alexander; however, because the motion names only Eric Alexander, it is unclear to undersigned counsel whether the order of continuance and cancellation of the status conference applies to all three of the defendants who have not submitted guilty pleas.
